

TOP 10 THINGS To Know About Trustwave

1 Over 2 Million Merchants and Growing.

We help more merchants worldwide achieve compliance while improving visibility, management and control over their security posture.

2 More Than 1,000 Employees Strong.

We've multiplied the force — with over 1,000 employees and a local presence in 26 countries around the world.

3 Over 100 Cyber Threat Experts and Counting.

An elite team of security pros, Trustwave SpiderLabs® is one of the industry's most trusted sources of advanced threat intelligence, education, testing and analysis.

4 A Leader in the Eyes of the Experts.

We're turning security into a predictable, operational expense, and are recognized as a Leader in The Forrester Wave™: Managed Security Services: North America, Q1 2012. (Forrester Research, Inc., March 2012)

5 The Best Anti-Malware Solution.

We've got the most accurate malware detection — with a portfolio that now includes the Best Anti-Malware Award from SC Magazine for our Secure Web Gateway. (2012)

6 An Industry Visionary.

We've been positioned in the Visionaries quadrant of the Gartner Magic Quadrants for SIEM and Secure Web Gateway.* (2012)

7 An Innovator in Penetration Testing.

We do more than 2,000 penetration tests per year — and we make them actionable with Trustwave PenTest Manager, winner of SC Magazine's Innovation Award. (2012)

8 A Top e-Commerce Solution.

We're a top 10 Global Certification Authority (CA) — protecting the e-business applications of almost 100,000 online merchants.

9 Award-Winning.

From the SC Magazine Awards and 5-Star Ratings to the Chicago Innovation Awards to the ECAF Data Security Awards, we're continually winning recognition for our market leading technology. (2010-2012)

10 Security and Compliance in the Cloud.

Our award-winning TrustKeeper® platform delivers a cloud-based, intelligent, and integrated dashboard for holistic security and compliance management.

Here at Trustwave, when we look at information security, we don't just see malware, company policy violators or event logs. We see security differently. That means that we not only help our customers prepare for threat battles, we also help them prepare to win business battles, from the budget to the boardroom.

Whether through our award-winning solutions, leading managed services or our trusted security experts around the globe, Trustwave has transformed the way customers plan, prepare, integrate, and manage their security and compliance programs.
